- NED booked for 3/16 at 2:15. Asked more info on the "Pay-It Forward" option. The gentleman I spoke with said 99% of the schools are doing this now. It is not a door-to-door sales ... they just have us sell yo-yo's at \$5 each. There is no minimum sale # required. He said some sell 500, some sell 15...and it all works out in the end. So, hopefully he can get more info on this so we can make an informed decision re: payment.
- Focus Topics:
 - The NED message can easily reinforce themes you are focused on like: leader in me, character, growth mindset, PBIS, bullying, literacy, test prep, and more
- I asked for the character and anti-bullying – but feel free to let me know if you think we should go in another direction.
