In November, all students are being sent home with a collection sheet encouraging everyone to collect 10 box tops and have them returned before Christmas break. Information has been submitted to St. Pats of Merna and Holy Trinity to include box top collecting in their bulletins. As well as the Parish offices have new collection boxes. The school website has been updated to remind families to collect. The remaining balance for the 2017/2018 school year of \$496.90 is scheduled to be paid to school in December.*

*2018 TAT was a huge success! Thank you to the volunteers, parents, staff and administration on assisting in making this even a success. Many of the classes met and exceeded the \$70 per student goal that was set and we raised closed to \$32,000! Throughout the day 84 students won gift cards that were graciously donated by school parents, with 15 students winning a dress-down day (spirit day); on a day that was a uniform day. We are also excited to announce that Mrs. Rettig's class (collecting a student average of \$92) and Mrs. Sims class (collecting a student average of \$122) were this year's lunch time pizza party winners!*

*\*Reminder that if you are a State Farm or Country Insurance employee or retiree and made a donation to TAT there is a matching program in place.*
