The cost of educating one child for one year at our school is in excess of \$7,500. This cost is only partially paid through tuition. The balance of the cost of educating students is paid by the parishes of Holy Trinity, Historic St. Patrick’s, St. Mary’s of Downs and St. Patrick Church of Merna. Parishioners with children enrolled in our school continue to have a financial responsibility to support the parish to the best of their ability.

Each family must indicate a choice of tuition payment in order for registration to be complete.

- We are able and agree to pay the actual cost of educating each child - \$7,500.
- We agree to pay the tuition with the subsidized parish contribution, as stated in chart above.
- We are unable to fully meet the tuition amount shown above. We will obtain FACTS evaluation forms and submit them by March 15, 2017. (Please note that FACTS is NOT a funding agency. It only analyzes your financial need. Tuition assistance is provided through the generosity of our parishes and their members.) We agree to pay the tuition amount as determined by FACTS which will be due and payable as described in the above paragraph. **We understand that the Commitment Fee of \$300 per family is due upon registration, and a child must be registered to be awarded assistance.**

It is expected that all Catholic families who are registered in our school attend Mass each Sunday and participate in the life of the parish to the best of their ability. Part of parish participation is financial support.
