

## WAYS TO DECREASE TUITION

### REFERRAL INCENTIVE:

Our current school families are our best marketing resources! Now you have the opportunity to bring new families into our school and earn tuition credit at the same time. Current school families can earn:

- 1) \$400 in tuition credit for each new student who registers and attends school in grades K-8 during the 2019-2020 school year.
- 2) \$50 in tuition credit for each new student who registers and attends Preschool during the 2019-2020 school year. If that same new student then enrolls in our Kindergarten program once ready for that grade, the referring family will then receive an additional \$350 credit at that time.

New school families will be asked to identify referring families at the time of registration. Tuition credits will be applied at the beginning of the 3<sup>rd</sup> Trimester.

The referral program is for current Corpus Christi parents or guardians who are paying tuition for enrolled students (Kindergarten through 8<sup>th</sup> grade).

- Families who make installment payments will receive a credit to their FACTS account
- Families who pay their tuition in full before the school year begins will receive a refund check.
- Tuition credits for referring families will be prorated with regards to new students who are enrolled for less than two trimesters.
- Tuition credits cannot exceed tuition owed
